

AREA CAN TOP LOAN QUOTA FRIDAY

HOIST IT HIGHER
THAN EVER!

Sister subunits, Maple Ridge-Pitt Meadows and Mission-Dewdney on the northside of the Fraser, are watching the M-S-A Area with considerable amazement. Their leadership in Unit 19 has been unquestioned throughout five Victory Loan campaigns but this time Matsqui-Sumas-Abbotsford has set the pace from the very beginning and in doing so has helped the Unit lead all other agricultural units in British Columbia. The provincial box score carried in the Vancouver daily papers this week has shown Abbotsford-Mission-Haney,

Unit 19, well above even the wealthy Surrey-Langley-Delta and Chilliwack - Lytton units. The former, down nearly three points Tuesday managed to get barely 1% ahead in today's report.

M-S-A salesmen are working night and day and piling up an impressive number of applications as well as total value of investment in the Sixth Victory Loan by M-S-A citizens. If they are given just a little more co-operation, if those persons not yet contacted and those who have requested "call back" will come forward at once and make

their investment in the next day or two, M-S-A Area will top its highest quota by Friday, a full day before the loan officially closes.

At the present time several of the districts are near their subquotas but two or three have several thousand dollars still to invest. Messrs. Myhre and Adams in the Matsqui-Ridgedale district, are apparently having the most difficult time to get within sight of their quota. They are getting a goodly number of applications but the average amount is not in proportion to other

districts of Matsqui or the Area. At noon today the M-S-A Victory Loan thermometer registered 87% of quota, \$208,650 of the \$240,000 objective.

Maple Ridge-Pitt Meadows was following close with \$193,950 recorded against a similar \$240,000 quota. Mission-Hatze-Dewdney, always proud of its top place quota, \$250,000, was sounding the rally call today as it tailed along with \$178,000. Total for Unit 19 was \$578,600.

Tuesday was a good day for the M-S-A Area with the sales report totalling almost \$17,000, compared with \$11,650 for the

subunit centering on Haney and \$9600 for Mission subunit. Two more days like it and this Area will have topped its quota. To obtain full credit for doing so within the three weeks of the loan drive it will be necessary to have applications in Thursday and Friday.

If the salesman has not called on you, call on the salesman. If you have already invested cash in a Sixth Victory Loan bond try to BABFABOS.

Buy Another Bond for a Boy on Service! Do it now, then write and tell him!

Vice-Regal Inspection Honors No. 24 EFTS Here

His Excellency, the Earl of Athlone, Governor-General of Canada, on Monday paid No. 24 EFTS here a signal honor, visiting it as the only RCAF establishment to be touched during his West Coast tour. Together with Her Royal Highness, Princess Alice, and his retinue which included high-ranking officials and army officers, the Governor-General arrived at the local school at 11:30 Monday morning during a shower and immediately proceeded to one of the huge hangars where the service personnel of the unit was on parade.

Lowering clouds and occasional rain had forced the event indoors. Original plans had called for a tarmac parade, with officers and airmen lined up before their aircraft facing an avenue down which the vice-regal party was to have passed.

Flight Lieutenant L. S. Milne, assistant chief flying instructor, called the parade to attention and ordered the salute to the Governor-General, after which Manager Stewart McKercher, KC, Squadron Leader G. E. Kerley, chief flying instructor, were introduced to the distinguished visitor.

President Austin C. Taylor of the Vancouver Air Training Co. Ltd., operators of the flying school, headed the directors present for the visit. Dr. W. K. Sproule and W. G. MacKenzie, company directors, met the Governor-General and conversed with him briefly.

Also honored with introductions to the party were RCAF and civilian officials of the school who were gathered in the hangar for the event.

In the Governor-General's retinue were Major General Parkes Major General Ganong, Col. Tobin, Major Clayton, Capt. Holland, Sir Shuldham Redfern, the Governor-General's secretary, and Miss Grenfell, lady-in-waiting to Her Royal Highness.

High government officials with the vice-regal party included H. R. McMillan, connected with the national shipbuilding program, and F. H. Brown, financial advisor to the minister of munitions and supply.

Chats with Student Pilots

The entire RCAF parade was inspected by the Governor-General and his aides, in company with Manager McKercher and SL Kerley. His Excellency showed special interest in a number of operational observers and gunners who are now training here as pilots, chatting with them briefly before moving on to other ranks.

Following his inspection of the air force parade, the Governor-General then boarded his limousine and was taken through the lines of parked aircraft to another hangar, where all civilian personnel of the station had gathered.

There he and his party again left their cars and, together with Manager McKercher and Chief Engineer W. E. Sambrooke, moved through the ranks of the employees, occasionally stopping for (Continued on Page Eight)

MAY DAY CEREMONIES PLANNED FOR ANNUAL AFFAIR ON MAY 24th

Leslie Moon, Matsqui, will be the page, and Helen Scott of Matsqui and Betty Waterston of Huntingdon will be flower girls for Queen-elect Helen White at the May Day celebration on May 24. The crowning ceremony will take place on Jubilee grounds, Abbotsford, at 2 p.m., which will be followed by folk dancing from various schools. Later in the afternoon the royal party will be entertained at a banquet, and in the evening the annual dance will be held in Whatcom road hall where drawing for prizes will take place.

A double-header league fast-ball games will be played in the afternoon when Daly's Comets will play the EFTS and RCAF staff will meet RCAF students. Among those who attended the May Day celebration in New Westminster on Friday were Queen Yvonne Dumont, Queen-elect Helen White, Charlene Caul, Iris Roberts, Mrs. W. Hay and Mrs. D. Stafford.

LAURA JAMIESON, MLA OUTLINES HISTORY AND AMBITIONS OF C C F

Says Rehabilitation Plan For Farmers Unsuitable

To a meagre gathering of 20 persons, Mrs. Laura E. Jamieson, MLA, expounded the history and ambitions of the CCF party in the Orange hall, Abbotsford, on Monday night.

Scheduled to speak on the past session of the provincial legislature, Mrs. Jamieson dealt chiefly with the founding and the reasons for the founding of the socialist party in Canada.

Settlement of returned soldiers on farms in Canada, as planned by the present government, can not function to the good of the men, the speaker said, so long as a board can say when the man can go on the farm, what farm he can go on, and when he may have to get off that farm. She also stated that it is unfair the wife of a man seeking rehabilitation on a farm should have to take his wife before a board of examiners that they might approve or disapprove of her.

"One of the manifestations of the sickness of our society," Mrs. Jamieson declared, is the fact that while Canada's farmers make up 35 percent of the country's population, in 1942 they received only 6% of the national income.

To a question put from the audience, Mrs. Jamieson reaffirmed the CCF stand on treatment of Canadian-born Japanese. "We cannot separate the Japs from any other minority group," she declared, adding that if the CCF is to stand for unity of Canada, like treatment will have to be given the Japs as all other minority groups. "We could send all Japs born in Japan back to their native land following the war, but they would only face death or internment."

H. W. Ellis of Abbotsford was chairman of the meeting. Today Mrs. Jamieson met with the Abbotsford Old Age Pensioners Organization in the parish hall.

FROM OUR FAR AWAY PLACE OF SERVICE IN CHINA-BURMA-INDIA

A Mothers' Day greeting received in Abbotsford by V... Mail is displayed in The News window by courtesy of the recipient. The illustration features a black and white sketch of a thatched-roofed chapel with a background of palm trees. The greeting:

"From our far away place of service in China-Burma-India theatre of operations our thoughts are centred at this season upon motherhood. Lives are strengthened, memories enriched, and purposes heightened by the sacrifices, faith, patience, hope and prayers of mother, and now over the vast distance and intervening years, our thoughts, affections and our prayers stream back in love, appreciation and reverence, to Mother."

SUMAS TAX RATE RAISED 3 MILLS, SCHOOLS, GENERAL

In monthly session held Friday afternoon, the Sumas municipal council finally established the 1944 tax levy at 18 mills on assessed land values and on 50% of assessed value of improvements and an equal levy for school purposes. Minimum school tax is \$10. This represents an increase of three mills over the rate of levy for both general and school purposes in effect last year.

Father and Brother of Missing Seaman

Pictured on the right is Private H. G. Blinch, father of Able Seaman Harry Cliff Blinch of Sumas Prairie, missing from the HMCS Athabaskan, and on the left is his brother, LAC Chas. John Blinch, RCAF.

SUMAS LOCAL HERD IMPROVEMENT ASS'N NOW ORGANIZED

Twenty-three Sumas dairymen signed as members when Sumas Local of the Fraser Valley Herd Improvement Association (artificial insemination) was organized at a meeting held in Whatcom road hall Tuesday night. H. W. German, president of the Local formed at Chilliwack recently, was the guest speaker. C. H. Beland presided. Officers elected: President, J. R. Peers; vice-president, D. S. Heelas; secretary-treasurer, Les Colebrook. Win. Fadden and Fred Corbett are directors. They will meet the Matsqui Local to consider a suggestion that a joint Matsqui-Sumas Local might be more effective.

AGRICULTURE MINISTER VISITS M-S-A AREA; ANNOUNCE HOSTEL

Hon. K. C. MacDonald, provincial minister of agriculture, accompanied by Wm. MacGillivray, director of the Emergency Farm Labor Service, visited the M-S-A Area Tuesday in the course of a tour of the Fraser Valley. They visited the Farm Labor Placement office in Abbotsford and discussed the labor situation as regards general farm help and berry pickers. It was announced that the YWCA had again been requested to operate a hostel for 100 girl pickers in the PSHS auditorium. As regards the Herd Improvement movement, artificial breeding, now to the fore in the Fraser Valley, Hon. Mr. MacDonald indicated his department was prepared to equal for B.C. dairymen the help provided by other provinces in this direction.

EARL ROBERTS TELLS

'Mortar Bomb Fell 10 Feet Away'

Earl Kitchener Roberts of Abbotsford, the young soldier who just returned from the fighting in Italy, and earlier Sicily, and was twice wounded, told his story to The News... a story that gave a reason at every turn just why the people at home should "Buy Another Bond for a Boy on Service."

The detailed story of Earl's woundings was told in an earlier issue of this paper, before the injured soldier arrived home. He is at present receiving treatment in Shaughnessy military hospital after enjoying a too-brief visit with his parents and friends at Abbotsford.

Earl's outfit left England bound for the landing at Sicily on July 10, 1943, as part of the biggest convoy you can imagine. The Abbotsford soldier's platoon was put to shore in a landing craft but missed their planned landing spot by more than a mile. Where they expected no opposition, they came smack up against an enemy mortar position. When that was "effectively dealt with" they ran into no more opposition.

Earl's story bristles with incidents of equally thrilling moments, such as his rifle jamming, be-

NEW BUILDING PROJECT BEFORE LEGION MEETING

Needs of Veterans and Public Kept in Mind

With a report current that an interesting project for a new building will be submitted, it is anticipated there will be a large attendance of members at the monthly meeting of the M-S-A Branch No. 15, Canadian Legion, to be held in the Legion hall, Abbotsford, this Thursday evening. It is reported that Legion executive has been giving serious consideration to the greatly enlarged facilities that will be needed by the Returned Men's organization immediately following the close of the war, if not sooner, and have also been taking into consideration the lack of a community centre in Abbotsford. General details of what is believed to be necessary here will be given Thursday night and if the membership approves, a committee formed to go more fully into the project.

SL KERLEY INSPECTS FIRST GRAD PARADE SINCE POSTING HERE

With a remustered wireless operator-air gunner, Flight Sergeant J. R. Domina of Toronto, as its honor student, the latest graduating class at No. 24 EFTS received its token wings Thursday from Squadron Leader G. E. Kerley, new chief flying instructor at the school.

The entire RCAF personnel of the flying centre paraded under a hot sun in honor of the latest graduates. Manager Stewart McKercher, KC, spoke briefly to the course.

A graduation smoker was held on the station Thursday night with SL Kerley, Manager McKercher and other station officials as speakers.

LAC Charles F. Courtman, who was an Abbotsford resident before going to Marylhurst, Oregon a few years ago, was among the graduates. Another Fraser Valley graduate was LAC E. Mahood of Chilliwack.

JAMES CALVERT AT FRONT AGAIN AFTER WOUNDING

James Calvert of Abbotsford, who was wounded in the Italian campaign late last year and has been in hospital since, is reported to be recovered and back at the front again.

Carl Harvey, also of Abbotsford, and also wounded in the Mediterranean war theatre, who was in the same hospital as Calvert, is said to be well on the road to recovery.

With the Forces

Word has been received from Scotland by Mrs. A. Newell of Pine Grove that Pte. Gordon Newell, Canadian Forestry Corps, has been in hospital two weeks with a head injury.

LAC Alvin Cornelson is spending a brief leave with his parents on Marshall road.

LAW Naomi McPhee is enjoying two weeks leave at her home in Abbotsford.

Frank Mercer, RCAF, is home on leave.

Pte. Ralph Wainright is spending a few days with his mother.

Cpl. Carroll Gustafson of the US Army Air Force, stationed at Tampa, Florida, is spending his leave following graduation with his parents, Mr. and Mrs. C. Gustafson at Matsqui.

AC2 Andre Bourquin, who has been home on leave, has been transferred to a west coast station.

Pte. Donald Shogren of Gifford, who is in the US Army Air Force, has been transferred from Buckley Field, Col., to the Scott Field, Illinois.

In a recent army casualty list, Gunner John Allan Clark, son of Mr. and Mrs. R. H. D. Clark of Abbotsford, was listed as slightly injured. He serves with the Royal Canadian Artillery. Two brothers, Lloyd and Harold, are also on service.

NELSON HARDWARE MOVING NEXT WEEK

Having purchased premises of his own, Clarence Nelson is moving the Nelson Hardware and Electric next Wednesday. After May 17 the well known local business will be found in the large store adjoining the "Hut" servicemen's centre, on Essendene avenue east.

The application of Clappison Bros. for a license to operate a cold storage locker plant in Haney has been approved.

Bonds may also be purchased at Abbotsford branch of the Royal Bank of Canada.

Berry Growers Must Utilize B. C. Help First

OLDER HIGH SCHOOL GIRLS STIPULATED FOR THIS SEASON

Chairmen and placement officers of Farm Help Committees in the principal berry growing districts of the Fraser Valley, Maple Ridge, Mission-Hatze, and the M-S-A Area met Thursday afternoon in the Vancouver office of the Dominion-Provincial Emergency Farm Labor Service, to discuss the picker situation anticipated in the forthcoming season. William MacGillivray, director of the D-P EFTS, president, District chairmen F. C. Lightbody, Mission; Eric Dunning, Maple Ridge; and Lang. Sands, M-S-A Area, together with the Placement Officers Briggs, Adair and Reimer, respectively, were among those attending the conference.

Crop estimates of growers' organizations indicated a considerable increase in berry tonnage over 1943.

Reports made to Mr. MacGillivray indicated a strong preference among growers for young women from Alberta as pickers. It was claimed that they gave greater satisfaction and were less trouble than help recruited from the coast cities and Vancouver Island. The director replied that emergency arrangements have been made to bring help from Alberta if the need arises but, under conditions made by Selective Service this source of help can only be resorted to when all possible sources in this province have been exhausted. A recruiting campaign is therefore being launched in Vancouver and New Westminster which will form the first source after all possible local help has been signed up for growers.

It is stipulated that no girls under 16 years of age and no boys under 15 will be sent to jobs away from home this season if required to reside in either hostels or growers' accommodations.

Reports from Vancouver indicated that a greater number of girls 16 and over will likely be available this season. Girls recruited through the Vancouver and New Westminster high schools will be accommodated in hostels supervised by the YWCA. Two of these are proposed for this season, one on the north side at Haney and one on the south side at Abbotsford.

Mr. MacGillivray stated that there are placement officers at Abbotsford, Mission and Haney and there will be one at New Westminster from June 1. Duties of the placement officers in charge include registration of growers for the help they are asking the Service to provide, registration of persons in their districts who are prepared to (Continued on page 8)

TRAVELLING CLINIC HERE THREE DAYS

The Provincial Travelling Clinic for Diseases of the Chest will be in Abbotsford from Wednesday, May 17 to Friday, May 19. Regular appointments have been sent. Any others who require chest X-ray are asked to get in touch with the Health Office in Abbotsford or to contact the Medical Health Officer, Dr. H. E. Cannon.

Considering Some Things

When They Come Back--What?

WE HEAR a great deal, these days, about the splendid work of our fighters overseas. Our enthusiastic comment is warranted. "There are no better fighters" said a military representative of a great ally when referring to the Canadians. Their zeal, their courage, their persistence, their aggressive tactics, are bringing glory to this Dominion.

One day, they will help to win the final victory. Then they will come home.

In our praise of their great valor, let us not forget the day when they'll return. Let it not all be words. Let us give some action—some meaning—to our words.

They will appreciate our cheers, our plaudits, our hearty handshakes, on that day we welcome them back. But what of the next day—the tomorrow?

Tires from Sawdust

A RECENT development of great interest in British Columbia has just been pointed out by A. W. Cooper of the British Columbia Federation of Trade and Industry.

He states that a pilot plant at Marquett, Michigan has been converting sawdust into sugar by a new, cheaper and faster process than ever before with a greater recovery. One ton of sawdust will produce one half ton of sugar which in turn yields an average of 50 gallons of ethyl (not wood) alcohol. This new process was brought from Germany by a German who escaped from the Nazis and has been still further developed in conjunction with the experts of the U.S. Forest Products Laboratory.

Conversion of sawdust into alcohol is not new but heretofore all processes have been slow, rather low in recovery and expensive.

As a result of this pilot plant work, thirty sites for the erection of conversion plants with

Right now we should look ahead—we who are earning, perhaps, more money than we have ever earned before; far more money than our fighters earn.

Let each of us buy another bond for a boy on service—then write and tell him about it. Can't you visualize his feelings when he gets your letter? Can't you see, already, his high morale rising higher? Can't you hear him say, "We've been going through hell—and there is lots more hell ahead; but those folks back home are worth fighting for!"

It's such a little thing, compared to what THEY are doing. A small fraction—a very small percentage—of your earnings for another bond—for him.

Do it now before this Sixth Victory Loan campaign expires.

an estimated output of 150,000,000 gallons per year have been selected, at sawmill centres in the southern and western United States and the first plant will be erected in the Douglas Fir belt of Oregon.

Alcohol is a vital material in the production of synthetic rubber, which is now our principal source of rubber for tires and likely to be for some time in the future. Thus the production of alcohol from sawdust provides perhaps the most important item in tire manufacture. Mr. Cooper points out that the experiments have shown that soft wood sawdust from coniferous trees like our fir yield 50 to 60 gallons per ton as against 30 to 40 gallons from hard wood sawdust.

He adds that the sugar from sawdust is not the same as that used on our tables and that the discovery will not relieve sugar rationing.

EARL WREN WINS MISSION COUNCIL SEAT BY ELECTION

Earl Wren, a farmer, won a by-election Saturday to serve a two-year term on Mission municipal council. Wren polled 224 votes. His opponent, J. I. Goundery, got 133 and W. R. Jack 89.

In a plebiscite, voters favored building of a home for aged, 344 votes to 172. But the proposed site for the home was rejected by 289 to 135 for.

Wren is a son of the late Harvey Wren, 13 years reeve of Mission, and grandson of John Wren who was reeve in the early '90s.

GROUNDS BEAUTIFIED

'Something new has been added' to the already attractive premises of Abbotsford Motors in Abbotsford. T. Preece of Bradner, writer of The News' Garden Tips, has completed the layout and planting of a rockery on the embankment flanking the east side of the repair shop and service station. Shrubs and bright-flowering plants were used in the landscaping.

OTTAWA NEWS LETTER

Exchange Fund Will Boost Trade

Canada took a leading part in the agreement to create an \$8,000,000,000 international exchange stabilization fund which will be used to facilitate world trade after the war. As one of the leading export nations of the world, establishment of such a fund is most important to the Dominion. Operation of the fund should vitally assist Canada to find foreign markets for wheat and other agricultural produce as well as for manufactured products. In the past wide differences in exchange have often operated as prohibitive tariffs, slowing up sales abroad. Prime Minister King made it very clear to Parliament that the Dominion does not intend to adhere to the central exchange plan unless other barriers to export trade are removed by international action. Britain and the United States differed sharply on some aspects of the exchange agreement. Canada submitted a compromise monetary plan which proved the basis of the agreement reached by 24 United Nations.

Mr. King Presses Post-war Plans

Mr. King emphasized to Parliament that the Government intends to pass this session its comprehensive program of legislation designed to meet post-war problems and assure a high standard of living in the Dominion after the war. Measures to be brought before Parliament include a national housing bill; a family allowance bill; a bill to provide a floor under farm prices

Bradner Bulbs More and Better; New Varieties Increase Revenue

and a health insurance bill, if reasonable agreement can be reached between provinces.

The housing program will include aid for building and improving farm homes and dwellings in villages and towns, as well as in the large centres of population.

The family allowance program, federally financed, will provide monthly payments to parents according to the number of dependent children of school age in the family. It will be of special assistance to those in the lower income groups. The measure to place a floor under farm prices is designed to keep agricultural prices from falling to unprofitable levels and to assure farm families a proper standard of living.

Farm Production Meets Demand

Farm production in Canada, despite shortage of labor, has kept pace with marked increases in military and export requirements, according to a report of the Combined Food Board of Britain, Canada and the United States. Food supplies in Canada exceeded the 1935-1939 level, despite overseas demands of war and difficulties of farm operation. Britain's diet is sufficient to maintain health and working efficiency, largely due to huge shipments from Canada and the United States.

Expansion in acreage planted to bulbs in British Columbia has been two and one-half times as rapid since 1940 than in the previous ten years, according to Messrs R. J. Hastings and J. Boshier of the Saanichton Dominion Experimental Farm, who have been in the Fraser Valley the last fortnight making their annual field inspection of bulb plantings.

Total acreage in B.C. planted to bulbs now stands at 360 or 100 acres more than in 1940. In Bradner district of Matsqui, where the chief development of the bulb industry on the Lower Mainland has centred, plantings are up 20 acres with an equal gain expected this year.

Value of the industry in annual sales of bulbs and blooms is now climbing toward the half-million dollar mark. It is estimated that bulb sales now total about \$250,000 with the sales of blooms bringing the grand total to between \$350,000 and \$400,000. Importations of forcing stock were large in 1943, aggregating about 1,600,000 daffodils, 600,000 tulips and 100,000 irises. The latter two groups were taken principally on Vancouver Island while the daffs were divided about equally between the Island and Bradner plantations.

Bradner, today has between four and five million bulbs, principally daffodils.

Quality as well as quantity is showing improvement, Messrs Hastings and Boshier observed and as the growers change from the older varieties to better types it is noted that their returns show an even better rate of improvement.

There are pests that plague bulb growers just as there are various plant diseases in most other branches of agriculture and horticulture but what is known as the "hot water treatment" is keeping the bulb pests in check, the inspectors noted. Most growers, they say, are making a good job of this treatment.

Having been successful in establishing their industry to a degree probably beyond anything anticipated and purely because of the shutting off of European sources, British Columbia growers are not resting on their oars. In addition to improving their varieties and refraining from taking too great advantage of the present markets at the expense of their stocks, growers are striving to establish the quality and dependability of their bulbs beyond question.

Next Improvement

Next advancement planned by those who keep a weather eye on the future possibilities and problems of the industry, is grading of the dry bulbs. It is possible to ask for official inspection of the dry bulbs and thus establish recognized grades.

If this step is taken locally this year, say those with an expert and fatherly eye on the increasingly important local industry, it will be a marked advance in favor of a product already very popular with the trade and public.

MONTHLY LETTER TO BULB GROWERS

A monthly letter service is now available to those engaged in or interested in bulb growing. It provides timely advice on production problems, deals with current topics and international aspects of the industry. It is provided through the Provincial Department of Agriculture, Horticultural Branch, in co-operation with the Dominion service.

BUILDING IMPROVED

Tom Watson, manager of the Abbotsford Burns & Co. branch has recently completed refacing the front of his premises on Railway avenue. Business office in the warehouse was also moved to the front of the building for greater convenience, Mr. Watson declared.

Put Victory First!

GARDEN TIPS

from
T. Preece, Bradner

—Vegetable Garden—

Broccoli—Sow maincrop now. Brussel Sprouts—Plant out as soon as possible. Capseiceems—Plant out now in warm place. Carrots—Thin out early varieties and plant maincrop. Celery—Plant out as soon as ground is ready. Chervil—Sow seeds now. Cress—Plant watercress now. Cucumbers—Prepare ridges now for seeds.

—Flower Garden—

Lawns are growing fast now. Mowing should be done regularly to keep grass down. Keep the hoe going to keep weeds down and clean up all rubbish. Roses of all kinds need spraying now for different diseases.

300,000 CHIX AIM OF LOCAL HATCHERY

Already close to his objective, Les. Halstead, manager of the Abbotsford branch of the J. J. Hambley Hatcheries, told The News on Monday that he hopes to reach the 300,000 mark in chicks hatched in the local incubators before the present season comes to an end.

Demand for the chix has held up particularly well all season, Mr. Halstead remarked. Bulk of the chix, he stated, are being shipped to Edmonton for distribution to customers in all parts of Canada.

POULTRY MEETING MONDAY, MAY 22

A meeting of interest and benefit to all poultry farmers will be held in the North Poplar school on Monday, May 22, at 8 p.m., and will be sponsored by the Poplar Local of the Pacific Coast Poultry Producers Association.

SECURES NEW TRUCK

First new Ford truck made available in this district since the curb on manufacture has been secured by Abbotsford Motors, Abbotsford, for H. D. MacFadyen. The new truck, olive drab in color, and with many new features, will be used on Mr. MacFadyen's milk-haul run.

The ration administration of the Wartime Prices and Trade Board announces that consumers may purchase eight ounces of coffee and two ounces of tea on one tea-coffee coupon.

IT'S PLAIN HORSE SENSE
TO
PUT VICTORY FIRST!

● Every Canadian wants this war over—and the sooner the better. Every Canadian wants to see the fight taken to the enemy's very door; to see war wiped off the map of the world forever.

It's good, ordinary horse sense that this won't be accomplished until everyone on the home front does his full part.

Canadian soldiers are fighting with courage and self-sacrifice, but this alone will not win the war. War demands the support of us at home. What are you doing about it?

Put some of that horse sense we Canadians talk about to work. Be smart. Buy Victory Bonds.

IT'S OUR MOVE

... to a new location

We are now preparing to move our complete electrical, hardware and home furnishing stock to the premises in the Hadrell Block which we recently purchased to house Nelson's Hardware. We expect to make the move about May 17, so watch for further information. The new premises are well lighted and neatly appointed and we will offer there, as we have in the past, efficient and courteous service.

SPRING FLOWERS ARE ATTRACTIVE SETTING FOR BRIDAL SHOWER

Miss Phyllis McNelly, a bride-elect of this month, was guest of honor at a linen and china shower held at the home of Mrs. Bruce Wells on Friday evening.

The house was beautifully decorated with a profusion of spring flowers, and the tea table was centred with flowers and pink tapers. Miss Mona Smith and Miss Jean Weir assisted the honored guest to open her many lovely gifts which were taken

from an imitation wishing well decorated with ivy. During the evening the guests were entertained by Mrs. Eric Hughes who gave two readings.

At tea time, Mrs. G. Grant and Mrs. T. McNelly were invited to preside at the urns, and those serving refreshments were Miss Jean Weir, Miss Mona Smith, Mrs. George Bodell and Mrs. Bill Hambly. Co-hostesses with Mrs. Wells were the girls from the Abbotsford telephone exchange.

Bradner

The meeting held in the hall by the bulb growers association on Monday evening was well attended. An interesting address was given by R. J. Hastings, government inspector from the Experimental farm at Saanichton. Mrs. Anthony Brown presided at the meeting of St. Margaret's Guild held at the home of Mrs. G. H. Loach Tuesday afternoon. Rev. Charles W. Bryce opened the meeting with a prayer and gave a brief talk. At the close of the business meeting refreshments were served and a social time enjoyed.

Mr. and Mrs. H. Waring have left the district for their new home on Vancouver Island.

Mrs. Rubens of Vancouver is visiting her parents, Mr. and Mrs. T. L. Baker.

Mr. and Mrs. Green of Vancouver have bought ten acres on the Haverman road from L. H. Black.

Mrs. L. C. Gardner was a visitor to Mission on Wednesday.

Fenwick Fatkin, who has been ill for sometime is now progressing favorably.

Huntingdon

Mrs. Bob Caul and daughter, Charleen, were visitors to Vancouver during the week.

Recent visitors at the home of Mrs. George Runzer were Mrs. L. Johnson and baby and Mrs. C. Raab.

On Monday evening a farewell surprise party was held at the home of Mrs. Jean Fraser honoring her and her daughters. After several contests, refreshments were served. During the evening Mrs. Fraser was presented with a vase and the girls with a cup and saucer each.

Mrs. R. L. Clark spent a few days at the home of her father, John Caul.

The pupils of the Huntingdon school held a hot dog sale from which nearly \$7 was realized. The money is to be used to send two delegates to the Junior Red Cross convention in Vancouver.

Mrs. L. Bates is visiting her mother, Mrs. Jean Fraser.

The Ladies' Aid of St. Paul's United church met at the home of Mrs. Allan Crouter. The question of kalsomining the church was discussed; this work to be done in the near future. Arrangements were made for services on Mothers' Day. It was suggested the members start working towards a fall sale of work. The meeting adjourned and refreshments were served by the hostess.

Sumas District

Correspondent: Gloria Anderson Telephone 151M

The five-year-old son of Mr. and Mrs. P. W. Martens of the Arnold settlement suffered a lacerated scalp, broken shoulder blade and collar bone when he fell twenty feet from the top story into the basement. He was upstairs helping the carpenters and fell through the opening left for the chimney. The gash required some stitches but he was able to return home.

Mr. and Mrs. J. Mitchell of Vancouver is visiting at the home of Mrs. Darby.

Mr. and Mrs. K. McGillivray and Nonnie were Sunday visitors at the home of Mr. and Mrs. A. Aitken of Chilliwack.

Mrs. Brogaard is convalescing at home after undergoing an operation in the M-S-A Hospital.

Alex Hougren and Mr. Gilmour left for Edmonton and Lloydminster where they will visit relatives.

Mrs. F. Aish is convalescing in M-S-A Hospital after undergoing an operation.

Mike Murphy visited with Mr. and Mrs. Payton on Sunday.

May Mitchell, CWAC, is visiting at the home of Mrs. Darby.

Mr. J. Iten has recently purchased a new tractor and plow.

Mr. and Mrs. R. Brown and Norman Harris were Sunday visitors at the home of Mr. and Mrs. Ray Pittman of Blaine, Wn. Mr. and Mrs. McRae Smith of Bellingham, Wn., were weekend visitors at the home of Mr. and Mrs. R. Harris.

Mr. A. E. York and bride of Revelstoke were visitors at the home of Mr. and Mrs. Win Fadden.

Mrs. J. Hunter has received a Mother's Day telegram from her son, Pfc. Jack Hunter of the American Army in North Africa.

Peardonville

The whist drive held in the Community hall on Wednesday was enjoyed by all, the proceeds being for the benefit of Peardonville boys overseas. Prizes were awarded and the lunch was donated by the ladies of the district.

Mrs. Federspiel and two small daughters left last week to join Mr. Federspiel who is at Prince Rupert.

Mr. and Mrs. Dibley were Aldergrove visitors on Sunday.

Jack Bartor left last week for the Interior.

Mrs. Gordon Peardon entertained 14 ladies on Thursday in honor of Mrs. Doug Boynton of Calgary.

Mr. and Mrs. Fletcher are now living in their new home on the Huntingdon road. The next meeting of the Servicemen's Club will be held at her home.

Another whist drive will be held in the hall on Wednesday, May 17.

AT THE BEGINNING of the century, two persons were needed to play a pipe-organ. The organist was at the key-board and someone else was at the pump handle. And all the years of practice, all the skill of the musician's fingers came to naught when the man at the pump stopped pumping.

In Europe today thousands of Canadians are playing a different kind of music. They are playing it well with cannon and guns. Their performance is a thrill for a listening world, a display of masterful technique developed from

years of hard practice. Just as the organist of olden days depended on the youth at the pump, our troops depend on us at home to keep them going.

Victory Loans, successfully conducted during the past three years, have been vital to the training of our armed forces. But they are not enough. One hour's pumping of the old organ could not keep the organist playing for one hour and a quarter. Similarly, just so long as the Canadian invasion forces are playing their part on European soil we must do ours here. We can't stop pumping now.

ABBOTSFORD SOCIAL & PERSONAL

To honor Mrs. H. Parkes, who is leaving to reside in Vancouver, members of the Catholic Women's League held a surprise tea on Tuesday evening. A social time was enjoyed and during the evening, Mrs. Parkes was presented with a cup and saucer.

The Junior Hospital Auxiliary will meet at the home of Mrs. J. E. Lukas Monday, May 15 at 8:15 p. m.

Mrs. W. W. Coutts has returned from a holiday spent with her daughter and son-in-law, Mr. and Mrs. Hugh Thompson at Olds, Alberta.

Mrs. Ed White is visiting at the home of her brother, Dan Currie in Chilliwack.

Mr. and Mrs. Art Berquist of Bellingham visited last week with the latter's mother, Mrs. M. Harvey.

Mrs. George Kingston and daughter are visiting at Salmon Arm.

Mrs. Gil Baker and son of Seattle spent the weekend with Mrs. Baker's sister, Mrs. Herb Jones.

O/D H. Abrams of Vancouver spent the weekend at the Purver home at Clayburn.

ENGAGEMENT

Sgt. and Mrs. W. T. Prasloski announce the engagement of their youngest daughter, Leona Florence, to Constable Wilfred Ellsworth McLatchie, RCMP, only son of Mr. and Mrs. E. McLatchie, 405 Hamilton Avenue, Ottawa. The wedding will take place on June 3 at 3 p. m. in Fairview Presbyterian church at Vancouver.

COCKER—WOODS

A honeymoon on Thetis Island, B.C., followed the wedding of Enid Nadyne, daughter of Cpl. and Mrs. Ernest A. Woods, formerly of Abbotsford, and Mr. Oliver Cocker, son of Mrs. Mary Cocker and the late William Cocker, which took place on April 29. Rev. R. Moses officiated at the ceremony solemnized at

She Pulled the Cord on Time

Because she pulled the buzzer-cord in good time, the bus stopped smoothly, exactly at the bus stop. This eased the strain on the driver's nerves—saved wear and tear on brake linings, reduced chances of a traffic accident, made the journey more comfortable for fellow passengers, prevented the bus from overshooting the regular loading point.

Quite a record of achievement for a moment's consideration for the other fellow. Wartime stress makes co-operation with fellow passengers and transit company employees a special virtue.

CHURCH SERVICES in the M-S-A Area

Notices for this column must be in the office of The News not later than Mondays at 5 p.m.

Upper Sumas Mission
For Mothers' Day, May 14, there will be a combined Sunday school and service at 2:30 p.m. There will be choruses by the Sunday school pupils, violin selections by Miss Eleanor Blatchford; soloists, Miss Jean Harron of Chilliwack and Allan Houghen. Rev. John Scott will preach, "When is the Home Christian?" A cordial welcome to all.

Clayburn United Church
Service will be held at 2 p.m. each Sunday with Rev. R. W. Hibbert, M.A., B.D., of Mission officiating.

Trinity United Church
Mothers' Day services will be held as follows: 11 a.m., special joint services under the direction of the Sunday school. Parents and friends are invited to join with the children in paying tribute to Mother, 7:30 p.m. the evening service, "A Mother of Long Ago." Reception of members.

Huntingdon United Church
1 p.m., combined service with the Sunday school taking part.

North Poplar United
2:30 p.m., special Mothers' Day program. Everyone invited.

Christian Science
Christian Science services are held each Sunday morning at 11 in the lodge room of the Orange hall, Abbotsford. The public is cordially invited.

Anglican Services
May 14th is Rogation Sunday. This Sunday also marks the second anniversary of the appointment of Rev. C. W. Bryce to this parish. The services at St. Matthew's, Abbotsford, are 9:15 a.m., when the Rev. Canon H.P. Barrett, Rural Dean, will celebrate the Holy Communion; 10 a.m. Church School; and 7:30 p.m. when the Rev. J. N. Bracher, newly appointed Youth Work Secretary of the Diocese, will preach the sermon. At St. Margaret's, Bradner, Holy Communion and Sermon at 11 a.m.; when Canon Barrett will be the special preacher.

Thursday, May 18 is Ascension Day. Services are: At St. Matthew's, Holy Communion and Intercession at 9:30 a.m., and at St. Margaret's, Holy Communion at 11 a.m.

Weddings

COOPER - TESSARO

A lovely spring wedding took place at the manse of St. Ann's Church, Abbotsford, on Friday evening when Fr. Joseph Kane united in marriage Nora Tessaro, youngest daughter of Mr. and Mrs. Quinto Tessaro of Sumas Prairie, and Mr. Gordon S. Cooper of Abbotsford.

The bride was charming in a floor-length white sheer frock with a finger-tip veil which was held in place by a small coronet. She carried a bouquet of gardenias and pink rosebuds.

Miss Marie Tessaro was her sister's bridesmaid, and she chose a floor-length dress of blue-sheer with lace inserts. She carried a bouquet of pink carnations and wore carnations in her hair.

George Taylor was the groomsmen.

Following the ceremony, a reception and dance, which was attended by approximately 250 guests, was held in Whatcom road hall. The bridal party was assisted in receiving the guests by Mr. and Mrs. Tessaro, the latter wearing a frock of leaf-green with black accessories and a corsage of pink carnations. Refreshments were served from a table which was tastefully decorated with pink and white streamers. Centering the table was a decorated wedding cake flanked by tall white tapers. Assisting to serve the refreshments were Miss Muriel Wakefield, Misses Beryl and Gladys White and Mrs. Ted Tessaro.

When Mr. and Mrs. Cooper left for a wedding trip to Pen-ticton, Mrs. Cooper was wearing a two-piece navy blue frock with a lace yoke and navy accessories. Her costume was topped by a powder blue coat with a white fox collar, and to her shoulder was pinned a corsage of pink carnations.

Mr. and Mrs. Cooper will reside in Abbotsford.

ANDERSON - JOHNSTON

The wedding took place on Saturday, April 22, at Red Deer, Alberta, of Pte. Douglas James Anderson, CASC, only son of L/Cpl. James Anderson and Mrs. Anderson of Vancouver, to Carmen Catherine, youngest daughter of Mr. and Mrs. F. M. Johnston of West Vancouver.

STAFF ADDITION

THANK YOU CANADA

... but there's still a WAR JOB to do!

OFFICE OF THE MINISTER

DEPARTMENT OF NATIONAL WAR SERVICES

To my fellow Canadians:-

You the citizens of Canada and members of the Voluntary Salvage Committees and many other Voluntary War Workers have done an excellent war job.

Canada, in doing her part to help win the war, has been greatly assisted by your voluntary and unselfish devotion to the important duty of saving and turning in the essential war materials. You have backed up the boys overseas and your activities have been a material factor in turning the tide of battle against the enemy. When Canada's stock piles have been dangerously low, you have discovered, saved, and salvaged waste material which has been turned into weapons, ammunition, explosives and containers. Your Salvage Campaigns have been Nation-Wide and of National importance. Your job has been a big one which you have nobly performed.

When at war the past is the past and we must look to the future. Again I appeal to you!

There is another National war emergency which must be met and overcome. Experts on the matter have assured me that there is a critical shortage of Waste Paper and that the situation is desperate. War supplies must reach our Fighting Forces who will use them against the enemy. War supplies must be safely packed. As we march on nearer to the enemy more supplies are required by our Fighting Men. More - much more Waste Paper is wanted now.

Paperboard mills are working on a day-to-day basis and some are facing shut-downs because reserve stock supplies of Waste Paper are critically low. From now on every scrap of waste paper is to be saved and turned in to the Nation through regular Waste Paper channels.

Fellow Canadians please help!

Yours sincerely,

L. R. LaFleche

L. R. LaFleche, Minister, National War Services.

CANADA NEEDS 20,000 TONS OF WASTE PAPER EVERY MONTH

WHAT IS WANTED: You can remedy this critical paper shortage by saving every scrap of critical paper—namely: wrapping paper—store Waste Paper, namely: cardboard—corrugated board bags—cardboard—cartons—envelopes and old magazines and books—envelopes and letters—newspapers. These represent the raw material for making vitally needed Paper containers.

HOW TO DO IT: Tie securely in separate bundles. (The little time you take will save thousands of man hours.) Then dispose of it through your local voluntary Salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar or others. The important thing is to get your Waste Paper moving to the mills.

Mrs. M. E. Anderson has recently been appointed custodian of the Abbotsford branch of the Fraser Valley Union Library which is located in the library's headquarters here.

Weekly Editor Looks at Ottawa

An interesting sidelight on price control is one which crops up in the annual report of the Wartime Prices and Trade Board and which we pass on as food for thought, not propaganda. Just how do family budgets fare when war hits this country? In this housewives are directly concerned. Without a control organization during the last war, consumers found that in March, 1919 it took \$1.54 to buy what one dollar bought in 1914. Today, with price control, it only takes \$1.18 to buy what a dollar bought in 1939. Each taxpayer's share in the operation costs of this government Board amounts to about 10 cents a month.

With the final estimates out now for the 1942 wheat crop of Canada a lot of folks will be surprised to know that it wasn't the biggest crop in history ever produced in Canada, but second best, for in 1928 the total harvest was 566,726,000 bushels. Final figure for 1942 is 556,684,000 bushels. Of this amount 529 million bushels was produced in the three Prairie Provinces. Most of the "writing down" was done in Saskatchewan where the crop failed to entirely measure up to indication as of harvest time, 1942.

A great dust control campaign is being carried out in Canadian Army camps, following the highly

effective experiment carried out in Camp Borden, Ontario, last winter. It proved so successful in immobilizing germs of air-borne diseases such as pneumonia, tuberculosis, scarlet-fever, tonsillitis, mumps, that Respiratory Diseases dropped 50 to 65 per cent. This should have far-reaching effects in peace-time preventative measures. "R.D." casualties in Canadian military hospitals in Canada alone, have been averaging 35,000 a year, costing the taxpayer about nine million dollars annually. In 1942 alone the loss to the army amounted to 500,000 man-days, enough to fight the whole Canadian part of the Sicilian campaign and 200,000 man-days left over.

Whenever you see bananas these days—we said, whenever—you can rest assured there is a ceiling price on them. Now the retail price is set at 15 cents a pound for the West.

Here's an interesting breakdown of the chief racial origins of the Canadian people, a grand total of 11,506,655. There are 1,267,702 of Irish origin; Scandinavians 244,603; Indian 118,316; German 464,682; French 3,483,038; Netherlands 212,863; Jewish 170,241; Ukrainian 305,929; Asiatic 74,064; English 2,968,402; Russian 83,708; Scottish 1,403,974; Polish 167,485; Italian 112,625. Of the total 5,715,904 hail the British

CREDIT UNION INVESTS

Organized less than two years, Mount Lehman Credit Union, of which J. E. McConnell is president and J. P. Carr secretary, has invested \$100 in the Sixth Victory Loan. Order for the bond was placed through Harry Taylor, who holds the distinction of canvassing northwest Matsqui district throughout all six Victory Loan campaigns.

Isles, 5,526,964 European and 267,787 listed as "Others".

What happens to all the men examined for military duty? The Minister of Labor had to answer that question in the House of Commons. Canada has had 1,014,498 men medically examined and of this number 452,348 were "A", or fit for front line duty. 123,364 were "B" men, fit for general duty; the C's, fit for home service numbered 130,316 while 23,415 were graded D, temporarily unfit for duty, and 285,055 were categorized "E" unsuitable for service anywhere in any capacity.

The Canadian Federation of Agriculture warns farmers everywhere against high pressure salesmen who allege to have gilded stocks and bonds to sell, a number of these co-operative in setup, as bait. Closest scrutiny is advised, and that's good advice.

Put Victory First and buy your share of bonds; bring our lads and lassies home sooner.

REGULATIONS PROPOUNDED BY GARAGE OPERATORS

Bylaws Not Yet Passed
In Sumas, Abbotsford

"Important Notice—Regulations governing business hours in the automotive trades," is the caption of a large window card provided garages in the Fraser Valley coming under the bylaws, approved, it is claimed, in most other districts, and now being sought in Sumas and Abbotsford. The card was exhibited by chairman "Mac" Tucker at the garage men's meeting in Abbotsford Monday night. It does not indicate the issuing authority but announces:

"All auto service and repairs premises are compelled by local bylaw to observe the following hours: Monday through Friday, 7 a.m. to 6 p.m.; Saturday, 7 a.m. Closed all day Sunday. Public holidays optional.

"Emergency repairs as defined by Provincial Hours of Work Act to govern all work done during the closed periods.

"Exemption: Transient automobiles breaking down during the closed period may be put in running order if repairs of a minor nature and will permit proceeding to destination.

"Breakdowns to be removed from highway at any hour. This does not permit repairs of a major nature to be carried out during closed period.

"Responsibility rests on garage proprietor to prove the nature of work performed during prohibited hours if demanded by the authorities."

ABBOTSFORD SCHOOL PRESENTS 'OZ' STORY IN OPERETTA FORM

"The Wizard of Oz," the age-old fairy tale which was made so popular by its screen version a few years ago, is being revived by the pupils of Abbotsford elementary school. The story will be presented in the form of an operetta in Philip Sheffield auditorium, Abbotsford, Friday, May 12, at 8 p.m. Attractive and effective hand-drawn posters to advertise the performance were made by a number of the pupils.

CHANGE IN BUS SCHEDULE

On and after May 23, 1944, new Pacific Stage Lines Bus Schedules will be in effect on the following routes:—

Vancouver - Mission
Vancouver - Chilliwack
Vancouver - White Rock
Vancouver - Ioco
Vancouver - Ladner

For complete new timetables consult your nearest P.S.L. Agent or phone Pacific 3311.

PACIFIC STAGE LINES

YOUR BEST BET IN PIN-UP PICTURES

Speaking of pin-up pictures, here's one that should be a favorite with every loyal Canadian — a certificate showing that he has subscribed to the Sixth Victory Loan.

When a person buys Victory Bonds, he is not only making a further contribution to the war effort; he is saving for post-war security. Victory Bonds are the best security in Canada.

So for Victory now — and security later — be a patriotic pin-upper.

BUY VICTORY BONDS!

BRITISH COLUMBIA
TELEPHONE COMPANY

SERVING CANADA in WAR and PEACE

[The 63rd Annual Meeting of Canadian Pacific Shareholders was held in Montreal on May 3rd, 1944.]

Remember how pleasant it used to be to travel on Canadian Pacific trains and ships . . . to stay at Canadian Pacific hotels and resorts?

That was before Hitler unleashed his mad ambitions. It's different now. It has to be—for the World's Greatest Travel System has a big war job to do—and is doing it with characteristic efficiency.

When that job is done—and peace returns—Canadian Pacific will be ready to serve you as before . . . and even more completely.

Already plans are being made for the construction of new, improved locomotives and coaches . . . sleeping cars . . . parlor cars . . . diners; for the improvement of road-bed and tracks; for the renovation of stations and hotels; for the building of a new fleet of ocean vessels to replace those lost in war service.

This post-war program means much more than the mere restoration of pre-war travel facilities. It means the introduction of travel on a new scale of comfort, convenience and speed!

And more than that. It means a substantial amount of post-war employment and prosperity all over the Dominion, because the program itself will provide years of steady work at good wages for tens of thousands of Canadians.

This is one way in which Canadian Pacific is planning to meet the challenge of peace—while continuing to do a vital war job at home and abroad.

Canadian Pacific

THE WORLD'S GREATEST TRAVEL SYSTEM

CANADIAN PACIFIC PRODUCT OF FREE ENTERPRISE

LOYALLY AND EFFICIENTLY serving Canada for 63 years, the Canadian Pacific exemplifies the initiative and resource of free Canadian enterprise. The Dominion's first transcontinental railway, it was pushed to completion by a group of farseeing citizens who backed their faith in Canada's future with their personal fortunes. Thus, Canadian Pacific has played a major role in the development of the Dominion.

THE WARTIME ACTIVITIES of Canadian Pacific have been indispensable to Canada's contribution to victory. Rail freight traffic has doubled and passenger traffic has increased threefold compared with peacetime.

Canadian Pacific's ocean fleets on the Atlantic and the Pacific have been at the service of the United Nations since the outbreak of the war.

From Canadian Pacific shops have come tanks, guns and other munitions of war to a total value of \$125,000,000. Today approximately 18,000 Canadian Pacific employees are serving in the Armed Forces.

CANADIAN PACIFIC is rightly proud of these records, made possible by the free association of three important groups, each contributing vitally to mutual Canadian interests:

ITS PATRONS—throughout Canada and many other parts of the world.

ITS EMPLOYEES—totalling over 75,000, whose wages and working conditions set a high standard for Canadian labor.

ITS SECURITY AND STOCKHOLDERS—numbering more than 200,000, who have risked their savings as evidence of their faith in the Canadian system of free enterprise.

Pte. and Mrs. J. Smith (nee L. Siep), Vancouver, spent last week with relatives here. Miss Thelma Boyd accompanied R. P. Boyd to Vancouver Monday evening. Pauline Roskewich of Mt. Lehman spent the weekend as the guest of Lois Larson. Mrs. R. Weatherby and Mrs. G. Ellwood spent Friday in Vancouver.

MATSQUI

Miss Viola Moore entertained a few friends on Tuesday evening, the occasion being her birthday. Miss Margaret Paterson is visiting in Vancouver. Miss Audrey Kerr of Vancouver spent the weekend with Mrs. B. Kerr. Rev. D. Tullman of California conducted services in the Baptist church on Sunday. A unique part of the program was his selection of hymns played on tumblers. Mrs. T. Reay of Victoria is visiting her father, G. Paterson. Mr. and Mrs. R. Kleve of Vancouver spent Sunday visiting Mr. and Mrs. Kleve. The Lutheran Ladies' Aid met Wednesday at the home of Mrs. F. Hansen.

Mt. Lehman

The Ladies' Aid of the Presbyterian church will hold a missionary tea in the church next Wednesday. Mrs. Levang has returned to her home after spending several days visiting in Vancouver. Mr. and Mrs. Albert Israel have their grandson, Walter Newcombe of New Westminster visiting for a few weeks. Mrs. Albert McMath, recently from Ontario, visited her parents Mr. and Mrs. J. E. Israel at the weekend. The United church Ladies' Aid met in the church hall on Wednesday afternoon. After general business, the members worked on quilts and tea was served by Mrs. Tones.

BRIDE IS HONORED AT PRETTY SHOWER

A pretty shower to honor Mrs. Bob Parberry (nee Peggy Blatchford) was held at the home of Mrs. Bob Caul Thursday afternoon. A miniature house made of cardboard and blue and white crepe paper was filled with the many useful gifts. Mrs. R. L. Clark and Miss Margaret Parberry assisted the bride to open her gifts. Contests formed part of the entertainment which was the cause of a lot of amusement, first prizes going to Mrs. Steed and Mrs. T. A. Harris, and consolations to Mrs. G. Stevens and Mrs. H. Yarwood. Refreshments were served by the hostesses, Mrs. Caul and Mrs. R. Crouter, assisted by Mrs. R. L. Clark, Charleen Caul, Jean Blanchard and Charlotte Crouter.

VALLEY PLASTICS INDUSTRY

DALY COMETS LEAD FASTBALL LEAGUE FOR FIRST WEEK

With two victories in as many attempts, Daly's Comets topped the Abbotsford and Services fast-ball league at the end of the first week's games, although sharing some of the glory with undefeated Mission, EFTS and RCAF Students nines. Last week saw the Students trim the Navy entry by a sizeable score, the Comets trounce the Reserve Army and Mission eke out a win over the RCAF staff. Weather held up Monday and Tuesday contests, but both will be played off soon. Standings of the league after one week of play is:

	W	L	Pct.
Comets	2	0	1.000
Mission Elks	1	0	1.000
EFTS	1	0	1.000
RCAF Students	1	0	1.000
Navy	0	1	.000
Reserve Army	0	2	.000
RCAF Staff	0	2	.000

Games for the balance of this week and next are: Wednesday, May 10—Reserve Army vs RCAF Students, Thursday, May 11—Mission vs Comets; Friday, May 12—RCAF Students vs EFTS; Monday, May 15—Navy vs Mission; Tuesday, May 16—EFTS vs RCAF Staff; Wednesday, May 17—Mission vs Reserve Army.

BOWLING OPENS

Members of the Abbotsford Lawn Bowling Club have been on the greens at Jubilee park the past week, getting ready for a big season. The greens were recently put in first class shape by J. E. Arnold of Abbotsford.

LOCAL FIGHTER COPS THREE RCAF TITLES; OTTAWA COMES NEXT

Gordon Calvert, the young Abbotsford boxer who showed so much promise under the tutelage of Jack Watson, RCMP, when he was stationed here a few years, and who is now in the RCAF has found his stride again and has slugged his way to three service titles in about as many months. At Edmonton manning pool, just after enlistment, the airman tucked the inter-service title in his "jeans," then on to Brandon and Saskatoon to do the same trick. He is now reported to be heading for Ottawa with a repeat performance in mind.

PRESIDENT OF JUNIOR CHAMBER OF COMMERCE HERE ON WESTERN TOUR

William Reid of Calgary, president of the Junior Chamber of Commerce of Canada, and Ward Sharp of Chilliwack, western vice-president, paid an official visit to Abbotsford this morning calling on Lang. Sands, president of Abbotsford & District Board of Trade, a member of the Past Presidents' Club of the JCC. Mr. Reid heads the parent body of a group of 62 Junior Boards of Trade and Junior Chambers of Commerce with a total membership of more than 7000 young men. A growing number of American Junior Chambers are affiliated. Mr. Reid is visiting western memberships including Chilliwack, Langley, Cloverdale, New Westminster, Vancouver and Victoria.

GOVERNOR-GENERAL

(Continued from front page)

a word with one or two.

Princess Alice was especially interested in the women employees of the school, talking at some length with several about their work and their activities here.

All in uniform, with the engineering staff wearing white coveralls, the company workers presented an orderly appearance as they met the party. Three cheers for His Excellency and Her Royal Highness were given by the civilian staff as the vice-regal group departed on a short tour of the station.

"This is the neatest air force station I have ever seen," declared one of the officials of the party, "and I've seen a lot of them." The visitors were impressed by the size of the school and by its well-tended appearance.

Following the inspection, the police-escorted convoy moved off to Chilliwack where the party lunched at Sardis army camp and officiated at the opening of a new services social centre in the town itself.

Official Flag Flown

During the Governor-General's stay on No. 24 EFTS, his official flag flew from the highest point on the flagstaff. Military and civil police covered every foot of his journey which was made in olive-drab army vehicles.

Air Vice Marshal G. R. Howsam, MC, air officer commanding No. 4 Training Command, Calgary, under which the local school operates, sent his regrets to Manager McKercher that he was not able to be present for the distinguished visit. Air Vice Marshal L. S. Stevenson, air officer commanding Western Air

BERRY GROWERS

(Continued from Front Page)

undertake some kind of farm work.

Placement Officers are also required to inspect the accommodation which growers propose to provide for help they will house on their own farms and to approve or condemn the same. The yardstick for this, it was agreed at Thursday's conference, should be:

"Would you send your own daughter to live and work under the conditions which are offered pickers on this place?"

Where picking conditions are difficult through poor quality of crop, weediness of patch, etc., it was agreed that there should be a rate of payment sufficient to offset the handicaps.

Full details regarding the employment of pickers, accommodation, method of payment, etc., have been provided to growers' organizations and are also available through the Placement Officers.

Director Visits Area

On Friday, Mr. MacGillivray visited the several districts and discussed the estimates of picker requirements, reports of growers' accommodation, registration of growers and of available local help with the Placement Officers and local committee chairmen at Haney, Mission and Abbotsford.

RETURNS TO ABBOTSFORD

G. Trussell, on leave of absence as secretary of the M-S-A General Hospital because of illness, returned to Abbotsford last week, all ready to resume his duties at the Area's institution. Mr. Trussell spent the past several weeks with his daughter and son-in-law, Mr. and Mrs. Gordon Smooty in Victoria.

MRS. MARY T. TONELLI

Funeral services were held in Vancouver on Monday for Mrs. Mary Theresa Tonelli, mother of Joseph Bertalino, RCAF, at No. 24 EFTS, Abbotsford, who passed away on Friday. Her husband Jack Tonelli, another son, Dominick Bertalino, Vancouver, and a daughter, Mrs. R. C. Carruthers, all of Vancouver, also survive.

MRS. WM. S. GARDINER

Funeral services were held in Vancouver on Wednesday for Mae Adline Gardiner, wife of William S. Gardiner, formerly of the Atangard Hotel, Abbotsford, who passed away in Vancouver on April 30. Interment took place in Forest Lawn Memorial Park with Lieut.-Col. Rev. C. C. Owen officiating. Besides her husband, Mrs. Gardiner is survived by three sisters, Mrs. E. M. Skerves of Los Angeles, Mrs. Bessie Heeb of Chico, Cal., and Mrs. Hope Alexander of Venice, Cal.; also one brother, Clinton Mooney of Hood River, Oregon.

FULLTIME WORKER ADDED TO STAFF WALTER'S ELECTRIC

Walter Casney, operator of Walter's Electric in Abbotsford, has added a fulltime electrician to his staff, enabling him, he says, to accept jobs of wiring and repairs that before he was unable to undertake because of labor shortages.

The newest electric shop in Abbotsford, Walter's Electric originally established on Gladys avenue adjacent to the telephone exchange. The premises were recently moved to The News building, and coincident with this move, Mr. Casney announced he had accepted a connection with the General Electric Company and handles the products of that concern exclusively.

Now, with the addition to the staff of John Harrison, who hails from Vancouver, Mr. Casney declares the combination of General Electric and Walter's Electric can offer prompt service to all comers.

Poplar

At the combined church service and Sunday School on Mother's Day at the United Church, an appropriate pageant will be presented by scholars of the Sunday School. Rev. G. R. Tench will occupy the pulpit.

The school gardener, Mr. T. Preece, is shaping up the Memorial Garden at North Poplar school, and from the plan explained by Mr. Preece it will be quite an ornamental asset to the school grounds. If any people in this area who feel disposed to help by donating evergreen shrubs or flowers, etc., for this garden would get in touch with the school gardener either at Poplar school, or through the Education Office in Abbotsford.

Mrs. P. Ratcliff of Tacoma, Wn., was a visitor at the home of Mr. and Mrs. G. Busby on Friday, accompanied by her sister-in-law, Mrs. P. Giesbrecht from Trail, B.C.

Gordon and Clarence Funk were home from Vancouver at the weekend.

Miss Mildred Gossen was visiting at her home last week.

Jack Cornelison has left the district for Alberta.

Miss Lily Doerksen of Vancouver spent Sunday with her parents.

On Sunday evening a musical service was conducted by Ben Horch of Winnipeg in the South Poplar church, assisted by a choir of about 100 voices. About 1500 persons were present.

Command, arranged the visit for the RCAF.

INTERIOR REPAINTED

L. J. Kettle recently completed repainting the interior of the M-S-A General Hospital in Abbotsford. The same soft green color was used in the hallways,

maintaining the "cottage" style surroundings, and each ward was redone in its individual color arrangement. The flag (what was left of it) which has flown continuously from the flagpole on the hospital grounds was recently taken down.
